

HR CONSULTANT

Are you interested in working on different projects in Human Resources?
Do you have an entrepreneurship mindset? Do you like to be challenged? If yes, then you
could be our new colleague!

Who is Intys hr?

At Intys hr, we are convinced that people are the foundation of every organization and we believe that Human Resources is an integral and essential part of every-day business strategy and execution. We have made it our purpose to help our clients solve complex HR problems. We make the growth of our consultants a priority. For example, you will have the opportunity to follow trainings to evolve in the direction you want.

Intys hr is a no-nonsense consulting company in human resources part of the group Essensys. We offer consultancy in various HR domains: HR business partnering, talent acquisition, learning & development, compensations & benefits, HR management and many other HR projects.

Your profile

- Education and experience – You possess a master's degree with an HR orientation. In addition, you have 2 to 8 years of experience in HR.
- Independency – You are flexible, with a can-do attitude.
- Communication skills – You can easily connect to people and express yourself in a confident, clear manner.
- Advising – You can build up a strong partnership with your clients and fully support them in their HR approach.
- Values – Your attitude reflects our core values: inspire passion, make a difference, build together, challenge today & keep growing.
- Language skills – You are fluent in Dutch, French and English.

We offer

- Fun – Inspiring projects depending on your areas of interests, skills and aspirations. Amusing team activities after work, to get to know your consultant colleagues.
- Life-work balance – A healthy working environment and assignments within your preferred geographic region.
- Personal growth – An opportunity to develop your skills, competencies & knowledge. We foresee monthly business schools, mentoring & coaching moments, various training sessions and more.
- Support – You will be part of a fantastic team of experts, where you can fully express yourself and where creativity matters.
- Attractive and flexible salary package – A wage depending on your level of experience, plus several benefits, such as a company car, fuel card, unlimited phone subscription etc.
